### **Partner & Sponsor Program**

If your business offers products or services that would be a benefit to ASN members, advertising as a Partner or Sponsor is a cost-effective method of promotion.

There are different levels of advertising:

- **Sponsor Level:**
  - You can support the ASN by offering a discount to all members that contact you with a specific discount code or a dedicated link to your website. In turn we will provide a link to your website and details about the discount.

**Cost** = \$295 annually
- **Featured Level Partner:**
  - Includes your company's logo and a basic listing on our website
  - Link to your website
  - A description of discounts or offers made to ASN members
  - **Quarterly** email blast to all ASN members

**Cost** = \$595 annually
- **Plus Level Partner:**
  - Same as Featured level but email blast is sent out **monthly** to ASN membership.
  - Your logo printed on all ASN mailings.

**Cost** = \$995 annually
- **Premier Level Partner**
  - Same as Plus level plus we work with you to create additional promotions and dedicate areas on the ASN web site just for your company.

**Cost** = \$1995 annually

As you can see this is an inexpensive way for your company to advertise to an industry specific audience. Our members are screened for eligibility before they are approved.
